The School of Graduate Studies will accept a master’s degree from an International University for inclusion on a Doctoral Program of Study on a case by case basis, as long as it is approved by the Department Faculty.

The Department Faculty will be responsible for insuring that the master’s degree is equivalent to a U.S. accredited master’s program. Up to a maximum of 30 master’s degree credits may be applied to the doctoral program of study.

The copy of your transcript should accompany this form along with the Doctoral Program of Study. The official transcript should have been submitted with your admission application.
