Re: Graduate Assistant Stipends for FY-2011

---

I am writing to provide information regarding Graduate Assistant stipends for next fiscal year. In accordance with the budgetary recommendations for FY-11, base stipends for Graduate Assistants will be incremented by 5%. Programs may provide supplements above the base as long as the supplement is provided consistently for all students appointed in the program. The following table shows current (FY-10) and FY-11 base master's and doctoral level stipends. Graduate Service Assistants should be paid at a level equivalent to the student's home department.

<i>Degree Level</i>	FY-10 Base Stipend	FY-11 Base Stipend	Increase over FY-10
Master's	\$12,393.70	\$13,013.39	\$619.69
Doctoral	\$14,979.40	\$15,728.37	\$748.97
