

NOTICE OF DOCTORAL DISSERTATION DEFENSE

Traditionally, all faculty are notified in advance of each doctoral final oral examination so that interested faculty may attend. Our procedure is to publish notices of oral examinations in the University Newsletter. To facilitate this process, please complete this form and return it to the Graduate School. We will insure that the information is published.

This notice along with the Preliminary Approval form must be submitted to the Graduate School at least two weeks prior to the scheduled oral examination date. This will allow sufficient time for the notice to appear in advance of the examination.

Date: _____
